When hardship hits quickly, some families are caught off guard and need help to catch their breath, craft a new game plan, and keep their family stable so they can pivot and move in a new direction. That’s the mission of our Cooperative Ministries.

The Co-Ops help Gwinnett families in immediate crisis meet their basic needs (i.e. food, personal care items, clothing, shelter, utilities, etc.). Simply find your zip code on the list below and go to your assigned Co-Op during their operating hours. In order to receive assistance, you will need to present ID and a utility bill showing your current address and zip code. Some may require scheduled appointments due to social distancing, so please check your Co-Op’s website for their most current service hours and conditions.

**PLEASE NOTE: While some of the zip codes below span multiple county lines, these Co-Ops only serve residents of Gwinnett County.**
